HISTORIQUE *HISTORY*

C'est au cœur
des Alpes Françaises,
sur les rives du lac d'Annecy
qu'est née la marque
ROCHET...

ROCHET BRAND WAS BORN IN THE HEART
OF FRENCH ALPS NEAR ANNECY LAKE...

En 1908, nichée au creux des montagnes, débute cette aventure familiale. Tout au long de son histoire "la petite Venise des Alpes" sera une intarissable source d'inspiration pour la marque ROCHET.

Tout naturellement dans cet écrin naissent des bijoux dédiés à l'homme directement inspirés d'un certain art de vivre. Au rythme des saisons, inspiré par son environnement, ROCHET Annecy propose des bijoux modernes, qualitatifs, intemporels et tendances. Chaque pièce est minutieusement pensée et les basiques sont revisités. L'élégance chic est l'essence même de la marque.

L'histoire, les paysages et le lifestyle confèrent aux différentes collections une identité forte empreinte d'un style exclusif.

La marque exprime ainsi la richesse de son patrimoine, enraciné dans la philosophie du groupe et harmonieusement exprimée par la devise de ROCHET Annecy :

Accompagner l'homme à chaque instant de sa vie.

This family history began in 1908 nestled in the mountains. ROCHET brand is boundless inspired by "la petite Venise des Alpes".

Jewellery dedicated to the man is naturally created in this beautiful place as a lifestyle.

With the seasons and inspired by its surrounding, ROCHET Annecy offers fashionable, timeless, qualitative and innovative jewellery. Every item is carefully developed and basics are renewed. Elegance chic is the quintessence of our brand.

History, landscapes and lifestyle give a strong and exclusive identity to our different collections.

*The brand highlights its rich heritage resources, rooted in the group's philosophy whose ROCHET Annecy corporate slogan is: **For each moment of our lives.***

ROCK range launch with natural stones and leathers.

ROCHET Group
Since 1908

Fans de cuir, de pierres naturelles et d'acier vintage, la gamme ROCK est faite pour vous, si vous aimez cumuler les bracelets, mixer les couleurs.

You are fan of leathers, natural stones and vintage steel: ROCK range is for you if you combine bracelets and mixe colors.

A man with dark, wavy hair and a light beard is the central figure. He is wearing a dark, worn-in denim jacket over a maroon t-shirt. He is adorned with several accessories: a black leather bracelet and a silver-toned metal bracelet on his right wrist, and a black leather bracelet and a silver-toned metal bracelet on his left wrist. He also wears a silver-toned ring on his right ring finger. He is holding the collar of his jacket with both hands, looking directly at the camera with a serious expression. The background is a weathered brick wall with some peeling plaster. The overall lighting is warm and natural.
